

## Music (Week 4) – April 13-17

**Happy Vacation Everyone!** Well, it's sort of like a vacation, but we cannot travel. Let's make the most of it and relax with some music!

Imagine you are at your favorite spot. Picture it in your head.

All that we need now is some relaxing music:

1. Click here: <https://tonematrix.audiotool.com/>

2. Use your mouse to **click on the squares**.

3. Try **dragging your mouse** while you click.

4. Try closing your eyes while you listen. Imagine that you are in your favorite vacation spot! Remember: nothing can stop you from making the most of a tough situation. I miss you a lot and I hope that making music helps you relax this week!
5. You are welcome to share this with me by clicking “COPY LINK” (nothing will pop up, but the link will be copied to your clipboard. Open up Google Classroom and paste the link in a comment or send an e-mail to [jay.sager@ps158.net](mailto:jay.sager@ps158.net).
