a. Drawing high or low makes the sound high or low.

b. Drawing different shapes makes different kinds of sounds, or timbres.  
Drawing circles makes a face!

3. Now it's time to play! Press the play button  to get started and **keep drawing!**

4. Share a photo of you using Kandinsky!

5. If you have any questions, reach out to me on Google Classroom or at [jay.sager@ps158.net](mailto:jay.sager@ps158.net).
